- Monday thru Saturday: From 6 p.m. to 8 a.m. the following morning
- Sundays, holidays, Dec. 29 - Jan. 3: From 9 p.m. to 8 a.m. the following morning

### **Call 119 for an ambulance if any of the followings apply.**

- 1) Patient's convulsive seizures do not stop.
- 2) Patient has difficulty breathing.
- 3) Patient has extreme stomach or head pain.
- 4) Patient is unconscious.
- 5) Patient's bleeding does not stop.

### **Tips for preparing for an emergency**

Your local fire department can tell you which pediatricians are currently on duty for emergency care.

Call the hospital/clinic before your visit to give them a heads-up about the patient's conditions.

Go online regularly and check for on-duty doctors.
